MAYBERRY METHOD

Option #1: For the Mayberry Method speech when Rik is entering as Barney Fife to surprise the audience and issue “citations”. The Emcee can begin an introduction...

"Our Speaker today is going to help us
find some ways to become more focused and productive.
He comes to us all the way from a small town in North Carolina
where he serves in the church choir and also is a Deputy Sheriff ..."

(And I'll come in and interrupt and take it from there)

MAYBERRY METHOD (option #2)
